Community Travelers Club

We are happy to present our Community Travelers Club!

Community Travelers Club is a club organized for the benefit of our customers age 50 and over. Members of the Travelers Club enjoy free banking services and exciting travel opportunities!

Membership

A checking account, savings account, IRA account or a Certificate of Deposit of \$500 or more is the only eligibility requirement of the Travelers Club. Membership is absolutely FREE and entitles you to many services and discounts.

To join, fill out a membership card available at the bank and you will be added to the monthly newsletter mailing list which announces the upcoming meetings and includes an upcoming trips schedule.

Meetings

Our club features monthly meetings that offer a rewarding social experience where you can meet new friends or catch up with old ones. The meetings are usually held on Monday evenings at 6:00pm at Appalachian Technical College Education Center. The meetings include a delicious dinner (at present the cost is \$5.00 per person), interesting speakers on a variety of topics, and in depth information about all of our upcoming trips. We offer a variety of travel opportunities that include exciting day trips, fun overnight trips, extended stay trips both within the U.S. and outside the country, as well as cruises and overseas travel.

Meeting Format

The meeting format is casual and interactive with plenty of time for questions. The meeting starts by enjoying a meal and socializing. At each meeting you attend you will receive Travel Bucks just for attending and you are issued a raffle ticket. At the conclusion of each meeting we host a raffle drawing for prizes. During the meeting, featured speakers on a wide variety of topics give about a 20 minute presentation. Some meetings include fun, interactive games with prizes. You are always welcome to bring guests. Dress is casual and come prepared to make new friends!

Trip Updates

Included in each meeting, Sam Burrell, our travel host, shares exciting details of all of the upcoming trips. Flyers on all of the trips are available at the meetings. You will also receive an Upcoming Trips flyer with pertinent dates and pricing of upcoming trips.
