## Greetings Travelers;

The October Travelers Club meeting will be held on Monday, October 21, 2013 at 6:00 pm in the Community Room at the Chamber of Commerce located in Lee Newton Park. **We have many great trips available for 2013!**

This month's program will include dinner and a raffle with great prizes for the winners. Feel free to invite any guests that you think might be interested in sharing some fun and great food. There will be a delicious dinner available for \$5.00 per person.

We will be sharing information about the 2013 upcoming trips that are available for your traveling pleasure and answer any questions you might have about the trips. We will have brochures on most of the trips at this meeting. Please plan to join us for a great meal, wonderful fellowship, and exciting information about travel opportunities! Again, please feel free to invite a guest, the more the merrier!

**Hope to see you all at the October 21st meeting.**
