Greetings Travelers;

The August Traveler's Club meeting will be held on Monday, October 19, 2015 at 6:00 pm in the Conference Room at **Chattahoochee Technical College, located on Burnt Mountain Road.** We still have great trips available for 2015!

This month's program will include a delicious dinner and raffle drawings with great prizes. Feel free to invite any guests that you think might be interested in sharing great food and some fun. Dinner is \$5.00 per person.

We will be sharing information about the remaining 2015 trips that are still available for your traveling pleasure and also answer any questions you might have about the trips. We will have brochures on most of the trips at this meeting. Please plan to join us for a great meal, wonderful fellowship, and exciting information about travel opportunities! Again, please feel free to invite a guest, the more the merrier!

Hope to see you all at the October 19th meeting!
